Dear Celia & Martin

Re:- The Hummingbird Cancer Support & Therapy Centre

Please accept my sincere apologies for the delay in sending you this letter, I wanted to personally write to you all to express my sincere gratitude for the donation received from LVP Summer Show, of which I attach a receipt for your records.

With everyone's permission we would like to put the monies raised towards the Equine Therapy (working with horses) which we have been providing for our guests over many years. Especially during lock-down we were able to support 30 children, which enabled them to feel safe and not alone.

Its with the continued support that we receive from people like yourselves at LVP which enables us to keep providing the services that we do, without the support that we receive we would not be here today.

The words Thank You never seem enough, but from the bottom of my heart to all of yours THANK YOU.

Kind Regards
