On Saturday 20<sup>th</sup> July you will come to Hare Leys Farm, which is near Launton.

You will need to bring a chair, or a picnic rug with you to sit on. A folding garden or camping chair is perfect!

Don't worry if you don't have one, as we have a few spare chairs you can borrow.

There will be people showing you where to park. There will be lots of other people arriving too.

If you have access needs, you will be able to park right outside the Big Shed.

This is the farm driveway.  
The show is in the Big Shed in front of you

Accessible parking is just outside the shed.

Other parking is just around the corner.

This is the area where most people will park.

This is a real farm! You will see farm machines and farm buildings. It is important that you do not touch these or go and look in the farm sheds, as some of these areas are not safe.

You will enter the shed where the show is.

When you arrive in the Big Shed, you will have your tickets checked. You will be given a programme which lists everything that will happen in the show.

You can also buy some refreshments.

There will be friendly people to show you where to put your chairs or blanket.

There is a toilet near the shed if you need to use it at any point. You might have to queue if other people are using it.

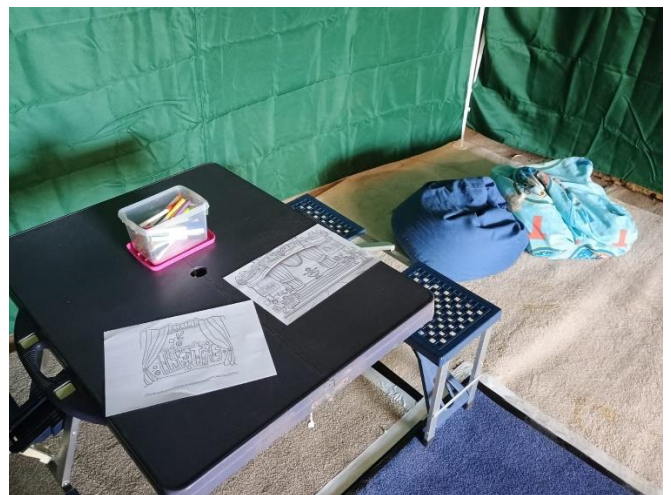

This is where the toilet is

This is what the toilet looks like.

There is a chill out space in the shed, where there are some beanbags, chairs and colouring.

You can use this whenever you want, but please make sure a parent or carer goes with you.

At around 1:30pm the show will begin. A man called Miles will explain what is going to happen and will tell you a bit about each song or act.

This show is a mixture of songs, dances and acting, each lasting between 2 and 5 minutes. Some people may choose to clap at the end of each bit. You can clap if you want to, or not if you don't.

You will see the cast in various costumes pretending to be characters from shows and films.

Sometimes they might use props, such as a pirate cutlass, or a lion tamer's whip. But remember that these aren't real, they are usually made of plastic and are just pretend.

Our circus clowns will also have water pistols, so watch out for them!

Some of the music is played by people on the stage. You will see them holding and playing instruments such as guitars, drums, a keyboard, or blowing on whistles.

Some of the music is recorded and is played through speakers. You will not see the instruments for these songs.

If you are enjoying the music, it is ok to sing along, dance or move around.

Remember, if you need a break at any time before, or during the show, you can do whatever helps you.

- You can wear noise-cancelling headphones or cover your ears
- You can play with a fidget toy or gadget.
- You can move around.
- You can stand outside the shed, but please take a parent or carer with you.
- You can visit the chill out space, but please take a parent or carer with you

After about 50 minutes there will be a break for around 20 minutes. You can use the toilet and you can get some refreshments if you like.

When the break is finished, you will be asked to sit back down in your seats.

The second half lasts about 45 minutes. When the show is finished, you will all leave with your grown ups, taking your chairs or blankets with you.

We hope you have a wonderful time.
